ELFORDS TOP COAT TIMBER TREATMENT

5Ltrs

£30.00 +VAT Supply only

Elfords top coat timber treatment has been formulated to provide our buildings with colour and weather protection all-in-one.

A choice of 4 colours are available in 5 Ltr tubs.

This product should be applied as soon as possible after the building has been erected and refreshed on a yearly basis.

If you have asked us to factory pre-treat your new building you will still need to apply the top coat treatment.

Caution, before use please read instructions on the tub. This is a solvent based treatment.
