Dear Ms Willard,

We write in relation to our planning proposal (ref: FP/92/19/HH) in response to the objection raised by Felpham Parish Council.

There are existing Drake Park properties with a spacing distance comparable to that resulting from our proposal, as illustrated within photos attached.

The existing variety of homes spaced across street scene perspectives are also shown in photos attached and indicate our proposal to be consistent and complementary.

Our proposal was carefully prepared and we feel it meets relevant planning policies.

We hope this information is of assistance and if you wish to discuss anything further we would be pleased to do so.

Yours Sincerely

Chris and Ali Meeus
