Hi,

Please could you upload the attached plan and document to FP/95/16/DOC, and mark the original plans/ documents as superseded on the system and file.

Please also re-consult Greenspace and Daffyd for comments on the attached plans.

Paper copies would also be appreciated.

Kind regards

Subject: Felpham - Condition Discharge - FP/55/15/PL - Condition 8

Hi Claire,

As per our site meeting last week please find attached the updated and revised landscaping and tree details to meet the requirements of condition 8 of application FP/55/15/PL.

As you will be aware we are under massive business pressure to continue with the 12 units associated with this consent to ensure we have continuity of build. On the basis of this revised detail I believe you now have all the information you need to allow the discharge of these conditions. As discussed on site we will look to recommence work on these units the week beginning 15th August with a view to the conditions being formally discharged on your return from leave.

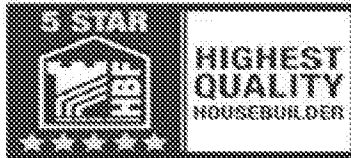

With regards the re-plan application, currently submitted, we are working on the sections and levels and hope to have these over to you by the end of the week.

It would be good if we could have a quick chat before you go on leave to check we are all on track so when you have a moment it would be great if you could call me.

Thanks for your help.

Kind regards
