Dear Mr Redmond,

Thank you for confirming.

Unfortunately my manager was away at the end of week and so the application was not signed off.
Please can we agree to an extension until 18th July to allow for my manager to check the application.

Please let me know if you agree.

Thank you

Amber Willard

Hi there

We have not yet chosen or brought any fence panels yet but we will hope to match it up with the existing fence at the rear of our house
