Good Morning Julie,

I tried to phone after receiving your letter dated 25th April - your ref- FP/97/17/DOC, to advise the form I have completed is not sufficient. Hence this email.

I have phone Gardiner & Scardifield again where the fence panels were purchased from who have called their supplier 'Tafs' in Shropshire who have advised that the fence panels erected are as follows:

- Medium/dark brown and are pre treated with a water based solution known as Aqueous.

I am not painting it any other colour because it has come pre-treated and will not be changing the colour from brown in the future if it needs any care.

I have asked them if they have a brochure if this is necessary to send into you by post - please advise.

Please let me know ASAP as I want to get this resolved. I am not well and expecting a baby in the next 10 days. I dont know what other information I can provide to you regarding this ? You can ring me on my mobile at any time.

Please can this email be acknowledged.

Thank you.

Hi Natalie,

I have attached the 'Application for approval of details reserved by condition' form for you to submit. I have also attached guidance notes.

The form can be scanned and sent to planning@arun.gov.uk. Once our Tech Support team as received this, they will give you a reference number. You will then be able to pay the £28 fee over the phone.

Please can I also ask that you let me know when you have submitted the form? This will help me monitor the case.

I hope the above is helpful. If you have any further questions, please do not hesitate to contact me.

Kind regards,
Chris

Hi Christopher,

Following on from below and having spent all afternoon trying to find out what I have to do from the various websites, I assume I am going to have to the C3810 form and submit this to you along with one of the below fees? Can I scan this in and send to you or do you need a paper copy? Can you confirm this is correct as I am wary of time because of the B/H weekend (or if you can give me a couple more days?) I did try to do it via Planning Portal but it won't allow.

Also confused with the fee as some of them seem quite similar so would like to know I am paying the correct amount. Can you confirm the fee and if I can pay it over the phone or if I have to send a cheque in?

Hi Christopher,

Your ref: ENF/114/17

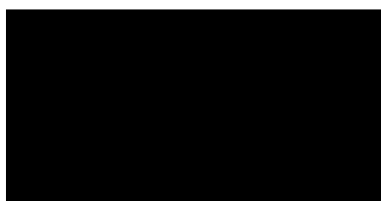

I have received your letter re: non compliance with conditions (condition 3).

I did not intentionally ignore this condition. It was an oversight on my behalf and genuine mistake. I did not realise this condition was on the original permission letter until I referred back. Please accept my apologies.

Will this email be classed as sufficient to submit the following in relation to condition 3?

- The fence panels, gate and posts will be finished of medium natural stained coloured wood as they come straight from the supplier, with no extra treatment or colour added so that they correspond with the rest of the residential properties on the road.

Kind regards
