Dear Mrs Johnson,

RE: Retention of timber outbuilding/shed to front garden

Further to your letter of 15th May requesting Location Plan, Block Plan Amend and Floor plans for the above planning application, I am writing to request a time extension so that I can instruct an architect to supply you with the correct information in order to process my planning application.

Please would it be possible to return the original drawings that I submitted to you so that they may be used to assist the architect?

In hindsight I realise I should have engaged an architect at the beginning of the process, I am hoping you will allow the time extension so that this can be done.

Kind regards,

Mr. Brenden Brogan
