WICKS FARM FORD LANE FORD BN18 0DF

Thank you for the consultation on the above application, please quote our reference on all correspondence.

Environment Agency Position

We have no objections to the proposed development F/11/19/PL. The site is located within Flood Zone 3, however the development is classed as less vulnerable with no habitable accommodation planned. We note the mitigation measures and raising of finished floor levels, set out by the applicant and would be supportive of these being implemented.

Yours faithfully

Miss Suz Greenwood
