Dear Andrew having come into the council office and advised that I needed to submit an application for change of use it appears that I did not need to apply as the unit already has the correct planning this being the case I would like to withdraw my application

Kind Regards

David Madge

Mr. Madge,

In assessing your application it has come to my attention that both the use of the site for boat & marine leisure yachts manufacturer and the use of the site as a vehicle MOT testing station both fall within Class B2 - General Industrial Use Class of the Town and Country Planning Use Classes Order 1987 (as amended) and therefore a planning application is not required for the use you are proposing.

It is open to you to submit a Certificate of Lawful Use application should you wish a formal confirmation of the above.

Could I please request that you withdraw the application F/12/19/PL by return of email?

Do not hesitate to contact me on 01903 737768 should you wish to discuss the matter further.

Yours sincerely,

Andrew Wood – Senior Planning Officer
