Dear Jessica,

The LLFA are due to respect on this application by CoP 07.10.24 (next Monday). I am writing to request a 2 week extension so that due diligence of the vast volume of information received in connection with the application can be considered. I will also be meeting with your Drainage Engineers end of this week/Monday to clarify the status of the previously conditioned matters and associated applications to remain as pragmatic as we can moving forward in the process.

Kind Regards,
