Claire/Raymond

I refer to Raymond's email to Chris Bartlett, of 21st July 2020, requesting an extension of time for the submission of Arun District Council's comments on Planning Application Ref. WSCC/036/20, to the 4th September 2020.

As discussed with you both today, I confirm that the County Council is agreeable to the request for the extension of time to the 4th September 2020. However, as also discussed, the end date for the consultation is on 7th August 2020 and in accordance with the agreed PPA timetable, if a Regulation 25 request for additional information is to be issued, this must be issued by the 14th August 2020. Accordingly, could you confirm by the 7th August 2020, the response of the District Council in relation to any additional information that you would advise should be requested, so that this can be included in the Regulation 25 request for additional information. In particular if there is any additional information requested by your Environmental Health Officer please ensure this is provided. Please however also include the details of any other additional information that you consider should be requested.

Please note I will be switching over to a County Council email shortly. Further emails can in the meantime be sent to this email address.

Kind Regards
