Dear Sir/Madam,

Consultation from West Sussex County Council

Application No: F/15/20/WS
Site Address: Ford Circular Technology Park Ford Road Ford BN18 0XL
Description of works: Demolition of existing buildings and structures and construction and operation of an energy recovery facility and a waste sorting and transfer facility for treatment of municipal, commercial and industrial wastes, including ancillary buildings, structures, parking, hardstanding and landscape works. This application is a County Waste Matter will be determined by West Sussex County Council.

Thank you for your internet representation made on 1st August 2020 which has been recorded as an objection with the comments as follows:

OWPC28762

The proposed development would impact greatly on both the immediate and mid-area views including parts of the South Downs National Park and future proposed residential developments. The scale and size of this proposed development is gigantic and would form a scar on the landscape from a long distance including the historic town of Arundel. The pollution risk to neighbouring and even mid-distance properties is another reason to reject such a large scale development.

Your views as made above will be considered before the application is determined.
