Dear Jessica,

West Sussex Fire & Rescue Service consulted on this planning application on 4<sup>th</sup> October 2024, regarding the supply of water for firefighting and Fire Service access, there does not appear to be any further information on the supply of water for firefighting, so no further comment can be made. From the proposed housing mix and tenure plan of the site there appears to be dead-end access roads to some properties, as previously mentioned evidence will be required to show any access routes longer than 20m have a suitable turning facility to enable a fire appliance to turn and drive out in a forward direction, a requirement identified in Approved Document B (AD-B) Volume 1: B5 section 13.

Regard

Ian
