Dear David,

Thank you for your email of 16<sup>th</sup> January 2019 found below and our follow-up discussion.

I am happy to confirm that the plan attached to that email (115.15\_102\_D\_Site\_Wide\_Elements.pdf) is now acceptable from the highways point of view.

Hi David and the same to you.

At the time of writing I am working at home and don't have access to the latest plan nor previous comments. If you send them to me I'll take another look.

Hi Tim,

I hope you had a good Christmas and New Year!

Can you just clarify the below for me. I am somewhat confused as the amended plan identifies that the road will be swept once daily and at additional "when necessary to ensure the highway remains clear". If this is not acceptable are you able to advise what wording is required?

Many thanks,  
David
