Hi Team,

Please can you upload the revised Construction Management Plan docs in the link below onto Oscella and supersede the previous ones.

This link expires in 6 days so if you are able to do this this week.

There is no need to reconsult.

Thanks

Simon

Hi Harvey,

I can't open the link. Can you send it via FromSmash which you used for the previous documents you sent over?

Thanks

Simon

Hi Simon,

Following the response from WSCC Highways on 10 July 2026, please click on the link below to access the revised CMP.

Ardent has discussed the required amendments directly with Stephen Gee. New wording has been added at paragraph 4.34, which states:

"A temporary connection will be provided from RM1 to allow connections to Yapton as per discussions with WSCC. Connections to this link will be maintained from all occupied dwellings throughout the RM1 construction period."

This is accompanied by a plan extract on report page 28 showing the connection route from RM1 towards Yapton.

Please let me know if you have any difficulty accessing the document.

Kind regards,
Harvey
