**To be determined by:** 27 November 2010

Please click on the link below to view new on-line applications on our website.

<http://www.westsussex.gov.uk/eplanning>

The planning application for the above proposed development was received in this office on 27 August 2010. This application has been assessed as being valid and will be determined by the County Council.

Please enter the application details into Part 1 of the Planning Register. We require the views of your Authority by 22 September 2010. If I have not heard from you by this date I shall assume that you have no comments to make and the application will be determined by the target decision date. You may wish to carry out internal consultations before providing your observations.

Please include in your formal consultation reply the views of the Environmental Health Officer in respect of Noise, Air Quality (including dust and odour) and Contamination. In addition, should these comments be available in advance of the formal comments of your council please can they be sent directly to the case officer (email address above).

West Sussex County Council will be dealing with all the publicity for this application.

The views of other consultees will be sought directly by me. Therefore it is unnecessary for you to duplicate these consultations with external organisations on behalf of the County Planning Authority.

Yours faithfully

**Sam Dumbrell**  
County Development
