Dear David,

I can confirm agreement to the extension of time (to 20th December) for the EIA Scoping Opinion for Ford Airfield.

I would be grateful if you can issue the consultation responses you have received to date? This will allow me to issue these to consultants in advance of the full EIA Scoping Opinion.

Kind regards

Neil

Dear Neil,

Apologies for not writing to you at the end of last week in relation to this matter but I was unexpectedly out of the office. I am aware that we have a target date of today (10th December) for the issue the LPA scoping opinion. However, I am currently still awaiting a number of consultation responses to allow for completion of this. I would be grateful if you could please confirm your agreement to an extension of time until the **20th December 2018**. I will be chasing the outstanding consultation responses and will seek to complete the response as soon as possible.

Please do not hesitate to contact me should you wish to discuss.

Kind regards,
David Easton
