Anita

Thank you for your letter validating the application (copied and attached for bcc recipients).
I confirm that the description used for the application is the same as that which I submitted so is agreed.
I note that the expiry date for the statutory determination period given in the attached validation letter is 13 April 2021 being 8 weeks rather than 17 May 2021 being 13 weeks.

I had understood that this was a major application (due to the site area) so that the correct determination period is 13 weeks and not 8 but would be happy if my understanding was incorrect so please could you advise which date is correct?

Thanks

Paul Collins BA (Hons) DipTP
