Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: F/1/21/PL
Site Address: Land to the North of The Towpath, South and East of Church Farm Ford
Description of works: Change of use from agricultural land to use as open space (6 hectares) and education (10 hectares). This site also lies within the parish of Yapton, affects a Public Right of Way & is in CiL zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 24th February 2021 which has been recorded as no objection with the comments as follows:

OWPC34056

Active Travel - NPPF Sec9 - Proposals have been discussed that would see the creation of a GREENWAY / multi user route along the route of the old canal (protected by ADC plan). This off road route would allow safe passage between villages and would be safe for all users. Likewise the design of the site should be such that cycles NMUs can be safely used across the site and importantly link with off site routes. The expectation would be that when all building is completed in and around Ford Airfield we are left with a robust and fully linking network of NMU routes

Your views as made above will be considered before the application is determined.
