Mr Collins,

Thank you for your email to Mrs Gardner of Monday, 22nd February 2021 where you state: 'I note that the expiry date for the statutory determination period given in the attached validation letter is 13 April 2021 being 8 weeks rather than 17 May 2021 being 13 weeks. I had understood that this was a major application (due to the site area) so that the correct determination period is 13 weeks and not 8 but would be happy if my understanding was incorrect so please could you advise which date is correct?'

I can confirm you are correct. The application should be a major application due to the site area. The application was incorrectly given an 8 week statutory determination period.

Our system has now been amended to reflect the 13 week statutory determination period.

Thank you for highlighting this and please find attached your revised acknowledgement letter with the correct determination period.

Thank you
Mrs Johnson
