Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: F/1/21/PL
Site Address: Land to the North of The Towpath, South and East of Church Farm Ford
Description of works: Change of use from agricultural land to use as open space (6 hectares) and education (10 hectares). This site also lies within the parish of Yapton, affects a Public Right of Way & is in CiL zone 3 (Zero Rated) as other development.

Thank you for your internet representation made on 6th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34300

I am objecting to this planning proposal on a couple of grounds. Firstly, the new access for the development is part of the Emerald Gardens estate where I live. We pay a management and maintenance fee to upkeep and maintain the areas owned by the estate which looking at the plans will be used for a road. This land is owned by the residents on our estate and I do not understand why this is being put through to planning. Secondly, we have terrible issues with a few groups of young people vandalising and causing problems on our estate. The Police have been out on many occasions and have even started patrols down our road. I feel a secondary school would only exacerbate the issue and encourage further problems. Thank you for taking the time to read my comments.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
