Thank you for your internet representation made on 10th May 2021 which has been recorded as an objection with the comments as follows:

I thought this application had been withdrawn - but it seems only the access arrangements have been deleted. (Substitute plan 1-3-2021). So...how can you allocate a piece of land with no access designated? Does that even make sense? And why is the school site at the southern end of the field and not at Ford Lane end?? Is the access to come right through the site F/4/20/OUT?? (There is currently no provision for this). The provision of POS is welcomed, but this site needs to be properly incorporated into the Ford masterplan and not be some 'add on' at the whim of a landowner. Come on, ADC - you can do better than this.

Your views as made above will be considered before the application is determined.
