Hello Daun,

Yes; much better. I agree.

As a matter of interest; I'm attaching a photo of what the vertical farming of strawberries in the existing greenhouses at Wicks Farm looked like this year.
Imagine what 5 or 6Ha will look like!!

Many thanks, John.

John,

After much thought on the above application, I have changed the description to reflect what I think you are trying to do:

'Variation of condition 2-plans condition to show new site access & red edge & removal of conditions 13 & 14 following the grant of F/30/18/PL dealing with the use of an existing access instead of creation of new access'.

I think the above description is clear.

Please let me know if you agree to the amended description.

Thanks
Daun
