Hello Mrs Johnson

I had attached a JPEG version of the location plan which marked Ford Lane. Unfortunately, I don't have the ability to alter PDF versions electronically, so I annotated a print of the PDF and then scanned that which comes out as a JPEG format. Does that allow you to process my application or does it need to be in PDF format ?

Many thanks for your attention in this matter

Edward

Good morning Mr Hodgson,

On the location plan, can you please provide one named road?

I will then be able to validate your application.

Thank you

Mrs Johnson

Dear Mrs Johnson

Thank you for your letter of 14th October and I am sorry that the Location Map and Block Plan submitted on 11th October did not give you all the information you needed.

I now attach :

- A revised location map as a PDF which now includes a scale.
- A JPEG version of the above location map which is annotated to name Ford Lane for further clarity
- Block plan as a PDF - I have edged in blue the two elevations that are subject to the proposed works
- Block Plan scanned as a JPEG which I have annotated with bolder blue lines and arrows showing clearly the walls/elevations that are to be attended to by the proposed works.

I do hope that these plans are now acceptable and will allow you to consider my application, but please do let me know if not or if you need anything else.

With kind regards

Edward Hodgson
