Subject: RE: Planning Consultation on F/29/18/DOC

Comment from Greenspace

The play area details proposed in Dwg Q-21704-T0G3-C rev 0, propose a well-designed LEAP with a good and varied play experience, with safety grass matting, bench, and bin. The play area is accessible from a tarmac pathway with access/exit via 2no combination/pedestrian gates with bow top fencing.

From the information supplied I would recommend the discharge of Condition 4 on application F/29/18/DOC imposed under F/5/18/RES.
