Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

To: Anita Gardner <Anita.Gardner@arun.gov.uk>; Planning.Responses <Planning.Responses@arun.gov.uk>

Subject: Address: Wicks Farm Ford Lane Ford BN18 0DF - F/2/21/PL

Planning Application Reference: F/2/21/PL

Proposal: Variation of condition 2 imposed under F/30/18/PL referring to approved plan numbers to include a gas tank.

Address: Wicks Farm Ford Lane Ford BN18 0DF

Dear Anita,

Having reviewed the document entitled 'Pollution Prevention Risk Assessment' (dated 31.01.2020) [produced by dps agriculture] I am satisfied that risks to amenities from dust, noise, smoke and light have been considered by the applicant and identified to be of low risk. The Environmental Health department therefore has no objection to this proposal.

Informative – Statutory Nuisance

The granting of this planning permission does not in any way indemnify against statutory nuisance action being taken should substantiated complaints within the remit of the Environmental Protection Act 1990 be received.

For further information, please contact the Environmental Health Department on **01903 737555**

Sincerely, Craig

Craig Milligan
