Dear Sir/Madam,

Neighbouring Authority Consultation

Proposal: F/30/18/PL - 3 No. multispan polytunnels
Address: Wicks Farm , Ford Lane , Ford , BN18 0DF

Thank you for your correspondence received 11 April 2019, consulting us as a neighbouring authority on the above noted development proposals.

The National Park's comments on the development are as follows:

Whilst the application site falls outside of the National Park there is a statutory duty on all stakeholders to consider the impact upon the National Park, and its setting, during decision making. The statutory purposes and duty of the National Park are:

- Purpose 1: To conserve and enhance the natural beauty, wildlife and cultural heritage of the area.
- Purpose 2: To promote opportunities for the understanding and enjoyment of the special qualities of the National Park by the public.
- Duty: To seek to foster the social and economic wellbeing of the local communities within the National Park in pursuit of our purposes.

Accordingly, we would request that, in specific response to the use proposed, you have regard to the dark night skies, design and the tranquillity of the National Park to ensure that these special qualities are conserved.

Yours faithfully
