Dear Mr Easton

Town and Country Planning Act 1990 (as amended)
Extension to existing hard surfaced HGV parking area to accommodate 9 vehicles and 4 trailers
R T Page & Sons Ltd Unit R Rudford Industrial Estate Ford BN18 0BF

Further to my planning application relating to the above I have heard from my Client, Mr Bob Page, that N R Barnes have now secured other premises upon land at Climping belonging to James Baird.

My Client, however, still wishes the application to proceed bearing in mind that his yard is totally full and he receives a large number of enquiries from people who wish to park their vehicles overnight on the estate. I am sure this would enable a number of owners who currently park their vehicles on private streets to find a more suitable and appropriate location for overnight parking.

Please let me know if you have any queries or you require any further information.

Yours sincerely

Chartered Surveyor
