Hi Anita

Yes, Mr Barnes contacted me early last year about having to relocate from his Brookside Avenue site and I have had many conversations with him since. I have looked at everything I know to be available and suitable over that time, which isn't a great deal. I know that he has pursued at least 2 of the leads I gave him but to no avail. You'll be aware that land for this type of activity is at a premium and for that reason Economic Development would certainly support his application.

Hi Miriam,

I have just realised that you haven't been consulted on the above application.

The agent has stated that the applicant Mr Barnes has contacted you requesting assistance to relocate from Brookside Avenue. Would you support his use of this site in Rudford?

Thanks

Anita
