Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: F/36/26/OUT
Site Address: Paynters Croft Burndell Road Yapton BN18 0HR
Description of works: Outline planning application with some matters reserved (except for access and layout) for the erection of 40 No. dwellings with vehicular access from Burndell Road, provision of associated open space, alongside landscaping, drainage infrastructure and associated works. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 14th August 2026 which has been recorded as an objection with the comments as follows:

OWPC85935

I strongly object to this revised application for another 40 houses in this area. Apart from being outside the Area Development Plan, there is absolutely no need for yet more houses in this small area. Redrow already has two sites; Ford Airfield has 1500 houses in the pipeline and there are another 300 currently being built at Climping. The village is overwhelmed and as others have said, there isn't the infrastructure to take all of this. There's been no money spent on Yapton and developers' contributions always seem to go elsewhere. Never here. Healthcare facilities are under severe strain and this can only worsen. Where are the doctors and dentists going to come from? At this present time, when water is such a precious resource, it's madness to continually approve more and more housing in this area, which has already had so many problems with water.
