Dear Mohammed,

I hope you are well.

As we are approaching the expiry date for the application, I'm conscious that I am still awaiting the re-consultation response from our drainage engineers. With this in mind, would it be possible to agree a short extension of time for the application?

A two-week extension, until **6 April**, would be greatly appreciated.

If you're happy with this, could you please confirm your agreement in writing?

Many thanks,

Kathryn Welch
