Dear Mr Martin,

I hope this email finds you well.

We received an amendment through the portal for the above application which suggested that there was a change to the application form. I can see that the declaration date has changed but please can you indicate the amendment that has been made on the form.

The following items are still outstanding on the application before it can be validated:

EXISTING SITE PLAN (Drg no. 0200)

The scale needs to be 1:200 or 1:500, please amend.

PROPOSED SITE PLAN ARRANGEMENT (Drg no. 1100)

Please can you add distances to boundaries to the plan.

LOCATION PLAN (Drg no. 0001)

The plan does not indicate the scale, please amend.

Kind regards,

Laura Mills
