Dear Liz,

I am sorry determination of your application has been delayed. I am struggling with an increasing caseload. I haven't discussed the proposal with my Team Leader yet, but based on the proximity of the existing highway depot in my view the use if the site would be acceptable.

I would be grateful for your agreement to a 2 week extension of time on the application until 24-05-2018 to allow for full consideration the application and writing of my report
