Dear Mr Duke

11 April 2019

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
Application for Planning Permission

Development Erection of a mild steel vehicle store on a concrete foundation & concrete slab.
Location Environment Agency Ford Depot Station Road, Ford,

In acknowledging receipt of the above application, I informed you that the target date for determination of the application was 18th April 2019. Whilst every endeavour will be made to still reach a decision on your application within the statutory time it may not be possible to meet this timescale because details of an appropriate colour i.e. green to match the other sheds on site have not been submitted for approval given the location of the site adjacent to and in full view of leisure users of the Arundel to Littlehampton Green Link..

I am therefore writing to ask you to formally agree to extend the period for deciding your application until 3rd June 2019.

Please indicate your agreement by signing and dating the response slip at the end of this letter and returning it to me by 18th April 2019. Please retain a copy of my letter for your records.

If you agree to the extension of time, an appeal against non determination cannot be made until that extended period has elapsed.

Yours sincerely

Neil Crowther
Group Head of Planning
