

3. Where this drawing has been issued in electronic .dwg format it has been done so in good faith. jppgroup do not take any responsibility for any inaccuracies in the electronic data, which should be checked against the paper (or .pdf) drawing issue. Any apparent discrepancies should be immediately reported to jppgroup. The electronic .dwg file should not be assumed to be to scale and should not be used for 'overlaying', setting out or checking of any third party information. All dimensions should be taken from the paper (or .pdf) version of the drawing. Electronic drawings may contain third party information, jppgroup take no responsibility for this information, which should be checked against the originators paper drawing(s).
2. All working dimensions to be checked on site.
3. Do not scale.
4. Any discrepancies between drawings of different scales, and between drawings and specification where appropriate to be notified to The Engineer for decision.
5. Copyright reservation. This drawing may only be used by The Client and location specific in the title block. It may not be copied or disclosed to any third party without the prior written consent of jppgroup.
3. This drawing should only be used for construction if the drawing status is "Construction", jppgroup take no responsibility for construction works undertaken to drawings which are not marked with this status.
