Thank you for your internet representation made on 6th April 2020 which has been recorded as '**an objection**' with the comments as follows:

*This is a very large development proposal and will have a significant effect on both Yapton and Clymping. There are no significant road improvements and the extra traffic would create flow problems at certain times of the day. The line of the historic Portsmouth/Arundel canal needs to be more accurately configured and should extend further east towards the boundary with the Grundon site where it could be then be extended towards Ford Road. It is not clear from the plan whether the canal route has been sufficiently protected or enhanced as a route.
The whole development site is in near proximity to the proposed Ford ERF which will be in operation 24/7 and could have a huge impact on residential housing. The two sites of industrial and residential need to be planned in harmony if both are to succeed.*

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information.
