14th April 2020

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline planning application (with all matters reserved except for access) for the development of up to 1,500 dwellings (Use Class C3), 60-bed care home (Use Class C2), up to 9,000 sqm of employment floorspace (Use Classes B1), local centre of up to 2,350 sqm including up to 900 sqm retail / commercial (Use Classes A1-A5) and 1,450 sqm community / leisure floorspace (Use Classes D1-D2), land for a two-form entry primary school (Use Class D1), public open space, allotments, new sports pitches and associated facilities, drainage, parking and associated access, infrastructure, landscape, ancillary and site preparation works, including demolition of existing buildings and part removal of existing runway hardstanding. This application affects a Public Right of Way. This application is the subject of an Environmental Statement. This application may affect the setting of a Listed Building. This application falls within CIL Zone 1 - Zero Rated.

Land at Ford Airfield Ford

Thank you for your internet representation made on 13th April 2020 which has been recorded as '**an objection**' with the comments as follows:

We wish to offer our full support to the very well reasoned objections set out by Climping Parish Council to the above application, which in addition to breaching the approved Neighbourhood Plan, offers a serious threat to the well-being and physical safety of local residents. The totally specious arguments set out at the "exhibition" held in Yapton by a group of officials who ever refused to answer reasonable questions or simply displayed a total ignorance of the area, were both unconvincing and at times, simply untrue. The dangers posed by the vast increase in traffic numbers (only 356 vehicles leaving a 1500 home development being just one unbelievable example) are just one example of the threat to human life. Horsemere Green Lane has relatively recently been equipped with traffic calming measures, with a thirty mile an hour speed limit. These are regularly ignored by the majority of vehicles already using it as a rat-run. It also has no pavement for most of its length. Similarly, much of the traffic in Church Lane and Ford Lane ignores the existing speed limit with no actions being taken against the speeding drivers, including those using the waste disposal sites. Arun's planners and councillors regularly show their total contempt for local residents so it is probably too much to hope that just for once they will take note of the PC's objections.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control

Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
