Dear Ray,

Thank you for reconsulting Sport England on the outline application. The only further comment I'd wish to make at this stage, further to our substantive comments made on 20/3/2020 is that with regard to the Green and Blue Infrastructure Plan, the alignment of the Arundel to Chichester canal through the area identified for sports pitches would possibly compromise the functionality of the site for formal sports. Clarification is required as to what is proposed in terms of reflecting the canal in the layout. I also note that there is no indication of the canal on the illustrative masterplan.

Best Regards

Jo
