Dear Mr Cole,

RE: Land at Ford Airfield Ford

Thank you for your correspondence of the 22nd February 2021, advising me of a planning application for Outline planning application (with all matters reserved except for access) for the development of up to 1,500 dwellings (Use Class C3), 60-bed care home (Use Class C2), up to 9,000 sqm of employment floorspace (Use Classes B1), local centre of up to 2,350 sqm including up to 900 sqm retail / commercial (Use Classes A1-A5) and 1,450 sqm community/leisure floorspace (Use Classes D1-D2), land for a two-form entry primary school (Use Class D1), public open space, allotments, new sports pitches and associated facilities, drainage, parking and associated access, infrastructure, landscape, ancillary and site preparation works, including demolition of existing buildings and part removal of existing runway hardstanding. This application affects a Public Right of Way. This application is the subject of an Environmental Statement. This application may affect the setting of a Listed Building. This application falls within CIL Zone 1 - Zero Rated at the above location, for which you seek advice from a crime prevention viewpoint.

The National Planning Policy Framework demonstrates the government's aim to achieve healthy, inclusive and safe places which are safe and accessible, so that crime and disorder, and the fear of crime, do not undermine the quality of life or community cohesion. With the level of crime and anti-social behaviour in the Arun District being average when compared with the rest of Sussex, I have no major concerns with the proposals, however, additional measures to mitigate against any identified local crime trends and site specific requirements should always be considered.

I have had the opportunity to examine the detail within the application and in an attempt to reduce the opportunity for crime and the fear of crime I offer the following comments from a Secured by Design (SBD) perspective. SBD is owned by the UK Police service and supported by the Home Office and Building Control Departments in England (Part Q Security – Dwellings), that recommends a minimum standard of security using proven, tested and accredited products. Further details can be found at www.securedbydesign.com

Mr Cole
Planning Officer
Planning Control
Arun District Council

Sussex Police Headquarters
Malling House, Malling, Lewes, East Sussex, BN7 2DZ

I refer the applicant to previous correspondence from this office Your Ref: F/4/20/OUT dated the 3rd March 2020 and Our Ref: PE/ARU/20/07A dated the 31st March 2020. Additionally Your Ref: F/4/20/OUT dated the 8th December 2020 and Our Ref: LM/ARU/20/07B dated the 15th December 2020 to which all comments remain extant.

Having reviewed in detail the new plans and amendments pertaining to this site I have no further comments to make from a crime prevention perspective.

The Crime & Disorder Act 1998 heightens the importance of taking crime prevention into account when planning decisions are made. Section 17 of the Act places a clear duty on both police and local authorities to exercise their various functions with due regard to the likely effect on the prevention of crime and disorder. You are asked to accord due weight to the advice offered in this letter which would demonstrate your authority's commitment to work in partnership and comply with the spirit of The Crime & Disorder Act.

Yours sincerely

Miss Lee A Melbourne
