Dear Mr Sennitt,

I am contacting you today with regards to the above application and the Community Infrastructure Levy (CIL). I have a couple of questions regarding the application

- Please confirm the applicants email address. As we are currently working from home, the Regulations state we must be able to send notices to all persons.
- There are 3 owners of the land. Could you confirm the positioning of the owners. For example, do they only own part of the land for access or more significant ownership. Until liability has been assumed (Form 2 Assumption of Liability) the owners of the land are liable should there be a disqualifying event and therefore I need to determine who this will fall to in the absence of the completed form. We can accept a completed

Form 2 so if this is something that you can complete and return accordingly then I can update my records now.

I look forward to hearing from you.

Kind regards,
Julie
