Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: F/5/21/PL
Site Address: Land rear of Paynters Croft Burndell Road Yapton BN18 0HR
Description of works: Erection of 23 No. dwellings. This application is a Departure from the Development Plan & is in CIL Zone 3 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 3rd June 2021 which has been recorded as an objection with the comments as follows:

OWPC37085

I strongly object to further housing developments in Yapton, I moved here to live in a rural village and since then more and more developments have been approved or are in progress. Residents are also trying to battle an incinerator and an unpopular Arundel Bypass tearing through the village and destroying the countryside and wildlife.

I cannot simply leave the area without getting stuck at the level crossing which sometimes lets 3 slow trains through, and this will be made worse by adding further traffic from people moving to live in new housing. The heavy vehicles from the traffic also cause noise, pollution and damage the roads that were not built to withstand the amount of traffic and cause a danger to people cycling or on foot/ horseback.

Please stop allowing greedy building companies to build on our village.

Your views as made above will be considered before the application is determined.
