Hi Paul,

Can you let me have a copy of your correspondence with them. I'm not sure that we are going to allow the applications to continue to run awaiting receipt. How long should the amendments take to provide?

Hi Stuart

Certainly not all, according to the drawings I have received, some of which are pretty fundamental in the scheme of things.

Hi Paul

Looking through your comments below we have provided details to cover all of these comments but I will run through and note the drawings/calculations that contain the relevant information next to your comments and forward over the details with the responses to make your review easier.

Regards

Stuart
