Hi Paul,

I need to determine these applications by Friday. I haven't seen a correspondence from the agent or their Engineer in the last 2 weeks. Do you have any updates? If not I will pass them through for refusal today based on the information as currently submitted.

Regards

Anita

Hi Anita

They seemed to be unaware of my latest comments (and were working/responding to superseded comments) so not sure where the communication has broken down?

Correspondence enclosed.
