Subject: WSCC/011/21 - Arun Extension until 1st June - JN 21 04 21

Ray,

Thank you for your email and confirming that will be providing comments.

With regard to the requested extension for comments, you will appreciate that we are keen to ensure that we get responses back in a timely manner to aid our consideration of the application. Nonetheless, given your committee meeting available, in this case the County Council is agreeable to the requested extension until **1st June 2021**.

However, in order for us to accord with statutory timeframes (and PPA timetable), please can you provide any comments of internal technical consultees in advance of this (in particular those of your Environmental Health Officer). This is particularly important if there are any requests for further information/clarification. In addition, if you could please provide me with a copy of your officer recommendation for my information, prior to committee, that would be appreciated.

Kind regards,

James

Dear James

Thank you for your letter dated 13 April 2021 seeking the views of Arun District Council and the Environmental Health Officer in particular on the above application.

Consultations will be carried out internally and a report will be prepared for the Planning Committee to endorse the comments that are sent to West Sussex County Council in response.

Your letter seeks comments by 13 May 2021 but the first available meeting of the Planning Committee will be held on 26 May 2021. Therefore, please could we agree an extension of the time period within which to comment on this application until 1 June 2021?

Many thanks
