Dear Sir/Madam,

Consultation from West Sussex County Council

Application No: F/6/21/WS
Site Address: Ford Circular Technology Park Ford Road Ford BN18 0XL
Description of works: Demolition of existing buildings and structures and construction and operation of an energy recovery facility and a waste sorting and transfer facility for treatment of municipal, commercial and industrial waste, including ancillary buildings, structures, parking, hardstanding and landscape works.

Thank you for your internet representation made on 4th May 2021 which has been recorded as an objection with the comments as follows:

OWPC35716

In principal, burning our non recyclable waste and generating electricity from it sounds a win win idea but not at the expense of the environment and our health.

Apart from the fact this facility is monstrous and will be seen for miles around it is to be built right next to expanding villages of Yapton, Climping and Ford.

This type of Incinerator is not environmentally safe. In fact burning fossil fuels emits less CO2. Also, there will be toxic ash containing heavy metals and dioxins which will spread all over the villages and probably as far as Chichester and Worthing and the Southdowns National park.

The project should be delayed until much better technology can be used such as at the Singapore Incinerator that incorporates a "wet flue gas" system that ensures much cleaner air and requires smaller chemical dosing.

The extra traffic on our already congested "B" roads will be horrendous with up to 400 lorries a day. We strongly object to this project.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the

website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website www.arun.gov.uk/planning-privacy-statements

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
