Dear Sir/Madam,

Consultation from West Sussex County Council

Application No: F/6/21/WS
Site Address: Ford Circular Technology Park Ford Road Ford BN18 0XL
Description of works: Demolition of existing buildings and structures and construction and operation of an energy recovery facility and a waste sorting and transfer facility for treatment of municipal, commercial and industrial waste, including ancillary buildings, structures, parking, hardstanding and landscape works.

Thank you for your internet representation made on 25th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36692

We wish to object in the strongest possible terms to this cynical re-submission of a previous application which has been only minimally amended and which will still blight the lives of hundreds of Council Taxpayers and their families.

The main reasons for our objection can be found as follows;

The impact of a vast increase in traffic on roads which are already totally over-stretched, not least on the blind junction with Horsemere Green Lane and those with the A259 at the end of Church Lane, Comet Corner and the Oystercatcher;

The effect on existing housing and the fifteen hundred homes proposed for Ford Airfield:

The potential impact on the health of thousands of adults and children, not just from the unknown emissions from the incinerator but from the diesel fumes emitted by the hundreds of lorries using local minor roads:

The aesthetic impact of a building equipped with two chimneys which will dwarf everything for miles around.

These are just some of the reasons why Arun must finally put residents (and council taxpayers) first and reject this monstrous proposal.

Your views as made above will be considered before the application is determined.
