Dear Mr King,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended) - Article 9

Application for a non-material amendment following a grant of planning permission F/13/12/ for a variation of roof pitch to accommodate tiles and narrowing of door opening to door at front of proposed garage
2 Old Station Cottages, Ford Road, Ford,

I refer to your recent application for a Non Material Minor Amendment. From the information submitted I can confirm that the changes which include an increase in height of the building by 600mm, the reduced width to the opening on the south elevation and the repositioning of the door and window to the north elevation can be accepted as a minor amendment to the approved scheme. Please note that these plans therefore become the approved plans for F/13/12.

I trust this information is of assistance to you.

Yours sincerely

Karl Roberts
Assistant Director Planning & Economic Regeneration
