Dear Anita,

I have concerns that the Strategic Housing Allocation will be placing housing directly abutting the north-western boundary of this site. To allow outside use of this site until 10pm every Monday – Friday is very likely to cause a noise impact on future residents.

I do not object to the outside use per se, so am happy for condition 3 to be removed, but I would caution against allowing outside use Monday to Friday until 10pm and therefore would not be happy to support the change of times suggested for Condition 4. I would also have concerns about the associated lighting causing a Statutory Nuisance to future residents.

Regards
Fiona
