Hi Fiona,

Please see e-mail below. I have spoken with Rupy and agreed that I would ask for your additional views regarding the impact of the adjoining waste facilities. Can you confirm if you have any concerns?

Regards

Anita

Hi Anita,

Thank you for returning my call and bringing me up to speed with the application at Ford Airfield for the sports pitches.

We will provide some comments to you as soon as possible, and no later than the deadline of 15 August.

As explained over the phone, these sports pitches are in close proximity to the Grundon waste gasification and recycling plant (food waste), as well as the Waste Water Treatment Works (sewage waste). These sites are safeguarded by the West Sussex Waste Local Plan (see Policy W2, page 41 – 43).

Thank you for confirming that you will ask the EHO for their views on the application with regard to the adjoining waste facilities.

My contact details are set out in my signature below, should you want to discuss further with me.

Kind regards,
Rupy
