Afternoon Anita,

I confirm Nicola is correct the bin store fence will be part of the boundary.

If you should have any queries, please do not hesitate to contact us.

Regards

John

Hi Anita. The bins store forms the fence to the boundary and this is what is being reduced to 1m in order to overcome visibility splays. I have copied John in for confirmation of that.

Kind regards Nicola

Hi Nicola,

As far as I can tell from the attached plan only the height of the bin store fencing is being reduced and the existing plan submitted and forming part of the application (9-) 6 rev B is to be superseded by rev A. No changes are proposed to the height of boundary fencing or the access - is this correct? Receipt of a plan drawing index sheet would be useful .

Regards
Anita

Hi Anita.

We would like to take up the suggestion by Highways to reduce the fence at the front of Waterbury to 1m to comply with visibility concerns. The drawing is attached.

Kind regards Nicola

Dear all

Please see the information from Highways. Please could I have your thoughts on what you would like to do from the options provided.

Kind regards Nicola
