Afternoon Nicola,

Please find attached the revised plan showing the bin store fence reduced to 1m as requested. If you should have any queries, please do not hesitate to contact us.

Regards

John

Hi John. thanks for the information, but the information Highways wanted was the reduction of the fence to the bin area to overcome visibility to the main road. Can you amend please.

Many thanks

Dear all

Please see the information from Highways. Please could I have your thoughts on what you would like to do from the options provided.

Kind regards Nicola
